DISCOVER OUR DOWNTOWN CITY OF PLATTSBURGH, NY

Plattsburgh boasts a 3.3-mile stretch of waterfront that runs its entire length, and with the Downtown Revitalization Initiative we hope to further develop a heart of the city from which the next stage of downtown development can begin.

The concept of “Greater Plattsburgh” is critical, and together this combination of Town and City becomes the uptown and downtown portions of our community: a destination in which to live, work and play.
