**PLATTSBURGH HOUSING AUTHORITY
CONTRACT FOR THE PROVISION OF
SUPPLEMENTAL POLICE SERVICES**

This Contract, made and effective the **1st day of October 2020**, by and between the Plattsburgh Housing Authority, (hereinafter called the "Authority") and the City of Plattsburgh, New York, (hereinafter called the "City") is for the provision of specific police services associated with the Authority's security programs.

WHEREAS the Authority desires to contract with the City for additional police services to create a drug- and crime-free environment and to provide for the safety and protection of the residents in its public housing developments; and

WHEREAS the City, by and through its Police Department, desires to assist in the effort by providing effective police services at all Authority locations;

NOW, THEREFORE, the Authority and the City agree as follows:

**ARTICLE I
Scope of Services**

SECTION ONE: SERVICES PROVIDED BY THE CITY

The City agrees that the services rendered by the assigned Police Officer under this Contract are in addition to baseline police services. The City agrees that it will not reduce its current level of police services to the public housing developments, particularly in the areas of community policing, patrol, criminal investigations, records, dispatch and special operations.

The manner and method of performance of services is specified in Article IV, Plan of Operations.

The duties and extent of services of the assigned Police Officer shall include, but shall not be limited to:

A. The City, by and through its Police Department, will provide a minimum of one police officer to perform specialized patrols to enforce all state and local laws and Housing Authority rules specified in this Contract. Sworn officers shall at all times remain part of, subject to and in direct relationship with the Police Department's chain of command and under Police Department rules, regulations and standard operating procedures.

B. The City agrees that the assigned police officer will target areas during specific periods of time identified by the Authority and agreed upon by the City as high crime or high workload periods (directed patrol), such as 6 am to 2 am in certain areas, to maintain a police patrol presence.

C. The City agrees that the Police Department will employ a community policing concept and that the Police Department's Crime Prevention Unit (or other unit whose primary responsibility is to develop and maintain communications with residents) will assist in developing or enhancing

crime prevention programs in the public housing communities.

D. The City agrees to collect and provide workload data for the public housing developments.

E. It is further agreed that to the extent necessary, the assigned Police Officer will appear as a witness in the Authority's administrative grievance procedures, civil dispossessory hearings, or other civil or court proceedings where the issue includes criminal or quasi-criminal conduct in or near public housing developments involving any resident, member of a resident's household, or any guest or guests of a resident or household member.

F. Without limiting any of the foregoing, the City agrees that with respect to the services to be performed by any police personnel in accordance with this Contract, the appropriate Police Department Supervisor will meet with resident leadership and management representatives of the Authority on a routine basis for the purposes of reviewing the enforcement and prevention efforts and planning for future changes or modifications anticipated by this Contract. These meetings shall occur at least quarterly.

G. The City agrees that a policy manual exists to regulate police officers' conduct and activities; all police officers have been provided a copy of the policy manual; the Department has a signed receipt from each officer that he/she has received and understands the contents of the manual; and personnel have been trained on the regulations and orders within the manual.

H. The City agrees that it will provide the assigned Police Officer with such basic equipment as may be necessary and reasonable in order to allow the Police Officer to carry out the duties anticipated under this Contract. Any additional automobiles, motor vehicles, bicycles or other equipment desired by the Authority will be furnished at the expense of and shall remain the property of the Authority.

I. The Police Department will provide a minimum of sixteen (16) hours of training on community relations and interpersonal communications skills.

J. The City agrees to continue to provide criminal background checks of proposed applicants for public housing. This information will be provided in a manner consistent with all applicable National Crime Information Center and State laws and regulations.

K. The Police Department shall designate a command officer as the Administrative Liaison Officer, who will work in concert with the Executive Director of the Authority or that official's designee to facilitate the performance of this contract in a manner of broad interpretation.

The Administrative Liaison Officer will perform the following duties:

- 1) Coordinate the dissemination and processing of police and security reports, provide supervisory assistance, and coordinate in resolving problems or in carrying out the provisions of this Contract;
- 2) Establish and maintain an ongoing line of communication with Beat/Zone Commanders and other police personnel;
- 3) Prepare semi-annual progress reports and evaluations of services requested and provided under this Contract for review by the Executive Director, the Police Chief,

appropriate Deputy Chiefs and Beat/Zone Commanders, and identified community representatives; and political leadership, e.g., mayor and council members.

4) Initiate and monitor ongoing lines of communications with resident leaders to effectively employ the community policing concept and to address in a timely manner concerns raised by community leaders;

5) Coordinate security workshops and training seminars for identified residents;

6) Assist or advise the planning and implementation of other grant-funded security programs within the Authority; and

7) Establish a clearly defined process for reporting non-emergency criminal activities.

8) Any other administrative tasks which from time to time may become reasonably necessary to effect the items of this contract and permit the PHA to remain in compliance with HUD provisions.

L. The City will at all times provide supervision, control and direction of work activities and assignments of police personnel, including disciplinary actions. It is expressly understood that the Police Department shall be responsible for the compensation of the officers and all employee benefits, as well as any injury to officers, their property, or the City's property while on the Authority's property.

SECTION TWO: SERVICES PROVIDED BY THE AUTHORITY

3) Drug awareness and control;

4) Orientation and familiarization with the public housing communities for the assigned officers; and

5) Orientation to the lease contract and lease compliance enforcement procedures and policies.

B. The Authority will provide the following in-kind accommodations, services and equipment:

1) Accommodations - The Authority will provide suitable space to be used as a satellite office for additional police services.

2) Services - Each satellite office will be supplied with utilities (water, heat, electricity) and routine and extraordinary maintenance by personnel of the Housing Authority.

3) Equipment - Each satellite office is to be supplied with any other additional equipment mutually agreed upon in connection with the performance of this Contract.

4) Modification/Damage - The Authority will make reasonable modifications, including minor structural, electrical and mechanical changes to the accommodations provided in order to meet the City's operational needs. Any damage to the unit or equipment provided by the Housing Authority for City employees, which the Authority determines to be above the normal wear for the item or accommodation, shall be repaired or replaced by the City at the City's cost, in the discretion of the Authority.

C. The Authority shall attempt to provide a semi-annual assessment of the results achieved, as measured against the performance objectives specified in the Plan of Operations listed in Article IV of this Contract.

D. The Authority shall reserve the right to reasonably request the Police Department to replace any assigned Police Officers for the following reasons:

- 1) Neglect or non-performance of duties;
- 2) Disorderly conduct, use of abusive or offensive language, or fighting;
- 3) Criminal action;

F. The Authority will work with the Police Department to subsidize housing or rent costs for volunteer police officers to reside in a public housing development selected by the Authority, as described in the Code of Federal Regulations.
